CALL TO ORDER / WELCOME / ROLL CALL

- Adam welcomed the committee members and guests and called the meeting to order.
- Meggin called the roll.

PRESENTATION OF PROPOSED COMMUNITY RENEWABLE ENERGY ACT (HB411) SURVEY - WEBER STATE UNIVERSITY

- Ogden City Council and Administration have enlisted the services of Weber State University to create a community survey in regard to the Community Renewable Energy Act (HB411) in order to determine the community's interest in participating in a renewable energy program in their household. Weber State University created a proposed survey and presented that to the Natural Resources & Sustainability Stewardship Committee, along with the Ogden City Diversity Commission, for their feedback and suggested changes to the survey. Please see recording for full presentation and feedback from the Committee and Diversity Commission.

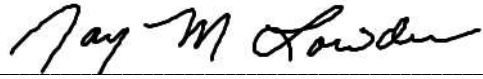

ADJOURNMENT

- With no further business, Adam adjourned the meeting.
