

Ogden City Arts Grants Application 2022-23

OGDEN CITY ARTS, CULTURE, & EVENTS (ACE) is managed by Ogden City Government and works to provide all persons with equal access to arts and culture programming regardless to race, religion, gender, national origin, disability, age, or sexual orientation.

OGDEN CITY ARTS ADVISORY COMMITTEE (OCAAC) is a citizen-based committee that performs a valuable service through and under the direction of ACE in the areas of arts advocacy, administration of the Public Art program, the Arts Grants program, the Mayor’s Awards in the Arts, and Arts on the Town. They also advise on the First Friday Art Stroll and work to create change using the Ogden City Master Plan for Arts and Culture. OCAAC is given the authority to recommend grant funds provided by Ogden City in Fiscal Year 2022/23 to support arts organizations and artists in Ogden City and to provide access to the arts for the people of Ogden City.

Guidelines

The OGDEN CITY ARTS GRANTS PROGRAM, funded through an annual appropriation from the General fund by City Council, makes direct grants to individuals and organizations that contribute to the cultural life of our community. OGDEN CITY ARTS GRANTS support projects in every art form, for both well-established institutions, emerging artists, and arts projects.

Grants are made available on a yearly basis, and new applications must be submitted each year. ACE support should not be considered the primary source of funding for any arts organization or project; grant applicants are expected to seek other funding sources. The OGDEN CITY ARTS GRANTS PROGRAM is competitive. An award for the current year does not guarantee an award for the following year. The award of these grants is made at the sole discretion of OGDEN CITY.

Please carefully read these guidelines and the Terms and Conditions on the last page of the application before signing. Should a grant be awarded, these terms become part of the legally binding contract between the applicant and Ogden City Corp.

Major changes in scope, budget, or schedule must be submitted in writing and approved.

Grants are made in two areas: [GENERAL SUPPORT GRANTS](#) and [PROJECT SUPPORT GRANTS](#).

You must apply in only one category; General Support and Project Support Grants will not be awarded to the same recipient. Applicants may only apply for one General Support Grant, or one Project Support Grants. An individual may apply for a personal Project Support Grant, outside of the scope of their arts organization.

GENERAL SUPPORT GRANTS

GENERAL SUPPORT GRANTS offer general, non-project support to Ogden City's established arts organizations which have developed a broad range of programming and have contributed extensively to the cultural life of the city. General Support grants are made available to assist arts organizations with general operating expenses and the continuation or expansion of arts programming for the people of Ogden.

Eligibility

In order to be eligible for a GENERAL SUPPORT GRANT, the applicant must:

- Be a nonprofit, 501(c)(3) tax-exempt arts organization, whose primary purpose is arts programming, support, or services.
- Applicant must submit copy of IRS tax-exemption letter with application.
- Be based in Ogden City and benefit Ogden residents.
- GENERAL SUPPORT GRANTS must be funded on a (1:1) matching basis. Matching funds may be anticipated at time of application but must be verified and reported in the Final Report. In-kind services and goods may be used as a portion of the matching funds.
- Applicants for GENERAL SUPPORT must include in their application the organization's total estimated current fiscal year budget, showing revenue and expenditures anticipated. We want to see what portion of your program is being funded by an Ogden Arts Grant.
- Applicants for GENERAL SUPPORT are limited to requests of no more than 15% of their preceding year's operating budget.

PROJECT SUPPORT GRANTS

PROJECT SUPPORT GRANTS are available to individuals and nonprofit organizations for specific arts projects and programs that have been determined to be of value to the community. Exhibits, concerts, performances, festivals, shows, workshops, and readings are among projects eligible for funding.

Eligibility

In order to be eligible for a PROJECT SUPPORT GRANT, the applicant must:

- Request support only for arts projects, or projects that incorporate arts into their activities.
- Projects must be based in Ogden City and support Ogden residents.
- PROJECT SUPPORT GRANTS must be funded on at least (1:1) matching basis. Matching funds may be anticipated at time of application but must be received and obligated by the ending date of the grant as indicated in the application. In-kind services and goods may be used as a portion of the matching funds.
- Applicants for PROJECT SUPPORT GRANTS are limited to requests of no more than 50% of their project budget.

Review Criteria

The following criteria are considered during the review and approval process for both categories:

1. Quality of the mission and objectives for the organization or project.
2. The applicant's history and ability to administer and implement the programs or project.
3. The artistic quality of programs, services or projects offered.
4. Number of people served through the programs or project.
5. Number of contributing artists or creators are participating in programs or project.
6. Community involvement and collaboration efforts. Demonstration of professional community relations and support for artists and the arts community.
7. Programs and services that consider diversity, equity, and inclusion.
8. Ability to form and execute an effective marketing plan.
9. Ability to identify and use assessment tools to evaluate the programs or project.
10. Demonstrate an overall benefit to the citizens of Ogden.
11. Organizational or Project match to the goals and objectives outlined in the Ogden City [Master Plan for Arts and Culture](#)
12. A realistic budget and projected income that reflects cash and in-kind match from a broad range of sources.
13. Determination to present professional quality arts experiences as evidenced by paid performers, fair honoraria to artists, staff, etc.
14. Completeness and clarity of application.

Tax Exemption

As verification of tax exemption, [General Support and Project Support \(organization\)](#) applicants must submit with their application a copy of their Internal Revenue Service letter granting 501(c)(3) federal tax-exempt status.

Project Support grants for individuals do not require an IRS 501(c)(3) federal tax-exempt letter.

If the applicant organization is not separately incorporated and uses the nonprofit status of another organization as its "umbrella", a statement must be submitted with your application identifying the organization from which nonprofit eligibility is derived.

Matching Funds

Both OGDEN CITY ARTS GRANTS categories described in these guidelines have a matching fund requirement. During evaluation of all applications, the grants review panel looks for a balance in the amounts and sources of funds. Because OGDEN CITY ARTS GRANTS funds are limited, applicants are required to seek additional sources of support, including contributions from individuals, businesses, and corporations, earned income, and grants from other government agencies. A balance of revenue sources demonstrates good fiscal planning as well as broad community support.

In-kind contributions are allowable as *a portion* of the required match and considered as evidence of commitment to the applicant or project by others. Both cash and in-kind support are recommended.

On-Site Review

All grantees will be required to submit to ACE the dates, times, and locations of their project or events. In addition, if requested, two free admission tickets for on-site evaluations of program activity. ACE team members, the Arts Grants Sub Committee, and Ogden City Arts Advisory Committee will make every effort to attend and evaluate the programs or projects. This is not an adjudication or critique, just a report on promised deliverables for Ogden Arts Grants Funding.

Final Report

All grant recipients will be required to submit a Final Report form to ACE within thirty (30) days of project/season completion and/or no later than June 30, 2023. This form, which is provided upon award of grant funding, includes similar narrative questions that are seen in the application. Additionally, applicant will be responsible for building assessment tools that are appropriate for the project. Keep these questions and assessment tools in mind during your process and use them to report on final product/program. **Grantees must request an extension in writing by March 15, 2023, if their project will not be completed before the June 30th deadline.**

Payment to Grantees

The grant funds will be released in two payments, 50% of the awarded grant funds will be released after the grants are officially approved by Ogden City Council. The final 50% payment will be made to grantees upon completion of the project/season and receipt of the Final Report form to ACE. In case of non-compliance with the conditions of the grant, ACE reserves the right to refuse payment of the grant. Be prepared to front the costs. An awardee is responsible for any payments for artists/creatives or laborers.

Public Hearing

In compliance with Utah State Code 10-2-8, a public hearing must be conducted prior to awarding grant funds to selected applicants. Therefore, applicants may be requested to attend a public hearing that will be held in conjunction with an Ogden City Council meeting. A notice of date and time will be sent to all applicants when the hearing is scheduled. While not mandatory, participation in this is strongly encouraged and looks good for future applications.

Insurance

ACE strongly encourages all applicants to independently pursue some form of insurance coverage, both for project participants and for audience members, as a good business practice. Proof of insurance is not required to receive grant funds.

Ogden City Arts Funding Limitations

OGDEN CITY ARTS cannot fund:

1. Projects that do not demonstrate a broad base of funding from sources other than ACE.
2. Projects completed prior to application date.
3. Projects that take place outside of Ogden city.
4. Projects that occur outside of the Fiscal Year. (July 1, 2022-June 30, 2023)
5. Projects that do not reasonably fit within the parameters of Art or Arts Programming.

Documentation

The Ogden City Logo (provided upon request) must be included on all printed and digital materials in relation to the grant project/programming. If your project occurs within the boundaries of the Nine Rails Creative District (24-26th Streets from Grant Ave to Madison Ave) the Nine Rails Logo will also need to be included on all printed and digital materials that pertain to the grant project/programming.

It is also good practice to document your programming/project with high quality photos. A minimum of five, high quality photos of your event or programming will be required to be included with your Final Report. Not doing this will give you negative marks for future applications. ACE or OCAAC may request a reprint of all posters or documents at your expense.

Grant Workshops

All applicants, but especially first-time applicants, are invited and encouraged to contact the Arts coordinator with any questions that may arise. Alternatively, a [grant writing workshop will be held on January 12, 2022, at 12:00 pm and 6:00 pm](#) for anyone with questions about the application or grant process.

Frequently Asked Questions

What is in-kind and how do we account for it?

In-kind contributions include any non-cash support your organization receives. Panelists want to know what kind of non-monetary support you receive. Volunteer time should be included in in-kind services and should be accounted for at a rate that is consistent with your accounting. This could be minimum wage or a nationally accepted rate. (rounded to \$28.00/hr.) Volunteers providing professional services (such as lawyers and accountants performing legal and accounting services) can be counted at the professional's going rate. Materials and supplies such as waived rent and utilities should be included in in-kind goods. Estimate the value your organization would pay at full price.

What if our fiscal year is different from Ogden's fiscal year?

That is acceptable. You need to plan to spend any grant money that you receive from Ogden City within the city's fiscal year, which runs July 1- June 30.

***What is considered an underserved population?**

Any group of peoples or communities that regular programming is not normally directed at. Consider those living with disability, senior citizens, people of color, those that speak English as a second language (or not at all).

***What is applicant cash?**

Applicant cash refers to the money that comes from the organization's general operating budget or reserves. This can be funds contributed from an individual for a project.

What if our income and expenses do not match?

Projected budgets should balance, while actuals probably will not. Projected budgets balance because you are providing a picture of what you think you will spend and where that funding will come from. Your actual budget will be shown in your final report.

Who evaluates the grants applications?

Applications are first reviewed by the Art Grants Subcommittee. This group is composed of at least 5 voting members from Ogden City Arts Advisory Committee, the Ogden City Diversity Officer, a member of City Council or their designee, and the Director of Community and Economic Development or the director's designee. Recommendations for funding are submitted to the full Arts Advisory Committee and then to City Council for final approval.

How are applications reviewed?

Copies of all grant applications are prepared for each member of the Grants Sub Committee to review. The Committee meets several times to discuss the applications and to formulate recommendations for City Council. In addition to the funding criteria listed in the guidelines, the decisions are also based on the amount of funds available, and the number of grant applications deemed appropriate for funding. If questions arise, the Arts coordinator will contact the applicant for clarification or additional information.

When are grant awards announced?

Ogden City Arts will notify grant applicants about the public hearing date for final City Council approval of the Ogden City Arts Grants recommendations. The hearing date will be determined by the Ogden City Council. Applicants are encouraged to attend the public hearing for input to the City Council and City Administration. However, attendance is not mandatory. Official awardee notification takes place after City Council approval.

How should I handle the matching funds requirement if I am an individual artist and am applying for a Project Support Grant?

Cash match for a Project Support Grant may be generated by sponsorships from other sources, personal funds, ticket sales, etc. We understand that it may be more difficult to find matching funds when the applicant is not a nonprofit corporation. At the same time, OGDEN CITY ARTS would like to see evidence of community support for the project and matching funds are one indication of that support.

Does submitting additional printed materials with my application improve my chances for getting a grant?

Yes – Letters of support, or documentation and images related to your project will help the review panelists better understand your project or programs. You are limited to three additions (3 images, or documents in PDF Format only) to your application.

How do I fill out an editable PDF form?

First open and chose the “save as” option to save the PDF document to your computer. You may then begin to fill in the open sections on the application. You can save and re-open your document to make changes as many times as needed until your application is ready to submit. You might want to work in Word first, then copy and paste your answers into the PDF. Attach your final saved file to an email and send to arts@ogdencity.com. Applications filled out by hand are also acceptable but must be mailed or hand delivered.

VERY IMPORTANT: Please ensure that all text is visible in the answer boxes on your saved version. If in question, print it out to preview your completed application. If your answers are cut-off, make edits to ensure that it is fully legible. Text will auto shrink in a fillable PDF. Please ensure text is not so small that it is hard to read. Longer answers are not always better answers. Be concise, it is not necessary to fill the entire box with text.
